

# Startup Weekend

— powered by the Kauffman Foundation —

## Orlando March 23-25

Startup Weekend is an 54-hour event where developers, designers, marketers, product managers and startup enthusiasts come together to share ideas, form teams, build products and launch startups!

### EDUCATION

Startup Weekends are all about learning through the act of creating. Don't just listen to theory, build your own strategy and test it as you go.

### CO-FOUNDER DATING

We all know it's not just about the idea - it's about the team. Find someone you can actually launch a startup with.

### LEARN A NEW SKILL

Step outside of your comfort zone. Try a new platform, programming language, or just try something different.

### LAUNCH A BUSINESS

Over 36% of Startup Weekend startups are still going strong after 3 months.

## No Talk, All Action

## Launch a Startup in 54 hours.
